Foreword

Amid our work and play at Thomas Jefferson, we look back for a moment to recall our successes and failures. Clearly we see the paths our feet have taken, molding our thoughts and destinies as we have advanced to the present. Likewise on the threshold of the future, we behold numerous paths from which we may choose. Some will thoughtlessly drift into the wrong path. For the thoughtful the choice will often be hard. Perchance many will find it difficult to choose between two paths either of which may lead to satisfaction and success. Always to guide our feet into worthy paths, we shall be able to look back on the principles taught us and the ideals set before us at Tee Jay. So shall we direct our footsteps with confidence into paths which will lead us into lives of great usefulness and unselfish citizenship

"And, departing, leave behind us
Footprints on the sands of time."

OUR STORY

The class of '51 begs to be rated by accomplishment rather than by size. The class is smaller than previous classes for the reason that in September, 1948, a change from the three-year to the four-year high school system was effected at Tee Jay. Thus our class was deprived of its lower half, as we were then high sophomores, whereas the class coming in was the new low freshman group which would graduate in 1952.

All of the quoted portions in this history of the class of 1951 are used by permission of "The Jeffersonian."

MARCH 19, 1948

"The newly elected sponsor for the class of February, 1951, is Mrs. Estelle Bugg."

APRIL 30, 1948

"Susan Allen was elected president of the class of February '51 in the recent election. Others chosen were Ed Willey, vice-president; Sue Foley, secretary; and Dick Werner, treasurer."

Organizations

The Board of Coordination

The Board of Coordination is the committee made up of representatives of the leading organizations in the school. The board meets about once a month to secure a proper coordination of club meetings, arrange dates for social events, find places in which the various clubs can meet, and in general keep a smooth running activity system without the many conflicts which so often arise. At the beginning of the term the B.O.C. is in charge of the preparation of the school calendar. Forms are sent to each home room teacher and each club sponsor to be filled out with the meeting dates each organization wants throughout the coming term. After these forms have been returned to the committee, they are studied and a sample school calendar is formed. Often there are conflicts, with more than one organization wanting the same date. When these conflicts arise, the board meets and rearranges the calendar to remove the conflicts. This revised calendar is distributed to each home room. The members of the board are the S. P. officers and sponsor, class presidents and sponsors, representatives of the school's publications, the boys' and girls' athletic associations, the military corps, the orchestra, the vocal department, and the chairman of the Club Affiliations Committee.

The Senate

The Thomas Jefferson High School Senate is the executive body of the Student Participation Association. Its members are elected by the students and include the S. P. officers, the presidents of the classes, and class senators. The Senate meets every day in 408 during the third period with regular business meetings held on Tuesdays. In these meetings the problems of the school are discussed and referred to the proper authorities. The Senators are chairmen of various school committees on which interested students volunteer to work and receive credit in the form of points for their efforts. The Senate keeps in contact with the activities of other schools by representation at the City Federation of Student Councils, district conventions, and events at individual schools. In this way the Senate keeps Tee Jay up-to-date in student affairs. The group tries, above all, to coordinate the student body and the administration. • Each spring students in home rooms nominate members of their classes for senators and members of the junior class for S.P. officers. A central committee, composed of S. P. officers, presidents of classes, faculty sponsors, and presidents of nominees' home rooms, draws up the slate.

First Row: Bobby Hock, president; Alice Creath, vice-president; Jody Weaver, secretary; Dickie Werner, treasurer; Jimmy Black, Sue Foley, Howard Gill. Second Row: Dale Harman, Nancy Luck, Cutler May, Quaidie McLean, Betty Nuttycombe, Richard Parsley, James Patterson. Third Row: James Proffitt, Margaret Rook, Meade Rudasill, Jeanie Turner, Pat White, Charlotte Wright.

For the Students and by the Students

The slate is first announced in the "Jeffersonian." In a formal assembly all candidates are introduced, and the two candidates for president as well as the two for vice-president give talks. • The following week in an assembly, held in an informal and often humorous setting, the campaign managers of the nominees speak. By this time a spirited campaign is in progress. By secret ballot every student may vote on election day at a designated precinct. • The successful candidates are notified by letter, but it is only when the headlines of the "Jeffersonian" announce the winners that students of Tee Jay know the results. • This year has witnessed a most exciting campaign, with posters and banners around the halls proclaiming the merits of particular candidates. Confronting Tee Jay students in the corridors are slogans such as these: "Don't be insane, Vote for McLean!" "We want our S. P. to Ring, so step right up and vote for King!" "Nutty—Captain in everything—for Veep!" All of these and others, too, have really made enthusiastic voters of the Jeffs and set up a campaign long to be remembered.

The Council of Home Room Presidents

The Council of Home Room Presidents meets the second Tuesday in each month. The purpose of the club is to help the home room president to promote better citizenship in his own home room. Often problems brought by the president from the students in his home room are discussed, and if possible a solution to them is found. Also, the home room presidents are instructed in good parliamentary procedure, the art of conducting a home room meeting properly and interestingly, and so making the home room programs entertaining as well as instructive. This group has proved itself to be a great unifying force in the school, thus establishing an important place for itself among the groups in Tee Jay.

The House of Representatives

A representative elected from each home room attends a meeting in room 218 after school on the first and third Mondays of each months, bringing from home rooms suggestions, new ideas, and perhaps a few complaints. Through these House members an opportunity is provided for each student in the school to voice his opinions for more successful operation of the school as a whole. The representative also is the channel by which faculty and administration may reach the individual student in the school. • Mrs. Katherine Brumble, the faculty sponsor this year, acts as an adviser to the group and forms the contact between students and faculty. • A member of the Senate attends each meeting of the House to let the home rooms, through their representatives, know the activities of the Senate. • One member of the House represents the school in the City Federation of Student Councils. • Through the years the House has helped to increase greatly student participation in Tee Jay's activities. It has done this by using every effort to make the student conscious of his part in the organization. This year the House has brought action on several needs around the school, such as better ventilation in the

building, the relief of crowded conditions on the buses, the better enforcement of school traffic rules, and the promotion of better conduct in general on the part of the student body. • This interest of Tee Jay students in the successful operation of the school has done much to promote good understanding between the faculty and students of the school. All of these achievements are a source of satisfaction and of real pride, not only to each student representative in the House, but to the students whom he represents.

Reception Desk Committee

The Reception Desk Committee believes that one of the most valuable assets a school can have is cordial and friendly receptionists. The members of this committee serve the school in many useful ways. The duties of a receptionist include the following: receiving the many visitors to our school, telling them the location of various rooms, and even conducting them personally to their destinations. The friendly smiles and helpful services of the members of the Reception Desk Committee are indeed gratifying to visitors who enter the school.

Club Affiliations Committee

The Club Affiliations Committee is composed of representatives from various clubs in the school. The committee assists in the organization of new clubs, attempts to increease interest and membership in weaker and smaller clubs, and exchanges with groups constructive ideas in an effort to solve the problems of clubs. Mrs. Katherine Brumble serves as sponsor of the committee, which meets on the first Friday of each month.

Laboratory Assistants

The laboratory assistants, under the guidance and supervision of Mrs. Ruth Paul Browning and Miss Helen Reed Gill, serve both the school and the teachers of the science department by taking care of the various pieces of equipment, running errands, and operating the motion picture projector. The biology laboratory assistants are responsible for supplying the microscopes, preserved material, demonstration mounts, and charts. They also prepare the crayfish, frogs, and earthworms for dissection. The chemistry laboratory assistants have the responsibility of locking and unlocking the students' desks and of preparing the chemicals and supplying equipment for the classes. A student interested in this work must be honest, courteous, and dependable. These assistants are selected by their instructors from the science and chemistry classes and must be willing to devote one full period each day to the work.

The Traffic Committee

The Traffic Committee, sponsored by Mr. James C. Anthony, is composed of boys who go on duty at their respective posts in the halls between class periods of the day. The purpose is to regulate and speed traffic and to prevent unnecessary confusion or noise. The committee, composed of sixty boys, is divided into two shifts of thirty boys each, serving alternate weeks. Each shift has six rovers, two to a floor, who check to see that each boy is at his assigned position. The rover turns in his report, which is used to determine each member's grade and the number of S. P. points he will receive. A member may leave his class three minutes early and arrive two minutes late in order to be on duty when the bells ring.

The Key Club

The Key Club of Thomas Jefferson is a subordinate organization of the Kiwanis Club of Richmond. Just as the Richmond Kiwanis Club is one of many all over this nation and other nations, likewise is the Key Club. • The membership of this club is decided upon in a very democratic way. The members are selected by the club from nominations submitted by the senior, junior, sophomore, and freshman classes. Therefore this should bring into membership those boys who are most highly thought of in school. • Heretofore, members have had merely one meeting a week in home room period on Fridays, but in addition, this year, the club has accepted the policy of a meeting every second Tuesday of each month outside of school. Each Monday, of course, two delegates attend the Richmond Kiwanis luncheon. • The activities this year were numerous as usual, but of outstanding significance might be mentioned the "Magic Show," featuring Mr. Sanders, the famous magician and Kiwanian.

The Book Club

The Book Club is an organization which seeks to provide a way in which Tee Jay students may get together and enjoy themselves as well as be of service to their school. This year the club took charge of the book review section in "The Declaration." The club also sent one of its members to give a book review at a meeting of the Children's Book Council of Richmond. • Books can be read and enjoyed by a person alone, but more fun can be had when one can see familiar stories acted out by talented players and hear good reviews made by prominent speakers on new books. The Book Club brings its members and visitors such pleasures as these after school on the second Monday of each month under the sponsorship of Miss Esther Singleton. • As a climax to fine programs this year the Dramatics Club presented at the last meeting of the Book Club a one-act play, "Ten Flights Up."

The Forum

Enabling members to discuss and learn more about some of the problems of the world today has been the achievement of the Forum this year. "Socialized Medicine" was the subject for a panel discussion. Movies were shown on the United Nations, Brazil, and Russia. Miss Boon, a British exchange teacher from St. Catherine's, talked about her native land. Miss Farley also showed slides of her visit to Okinawa. A tour was made of several historic places in Richmond. The highlight of the year is a trip, which the members take to Charlottesville to visit Monticello and the University of Virginia. This group, which meets on the first and third Wednesdays of every month, is sponsored by Miss Archie Andrews and Mrs. Frances Trevvett Matthews. • In response to a request the Forum made of the Canadian Embassy in Washington, District of Columbia, Mr. Paul Malone, First Secretary of the Embassy, came to Thomas Jefferson High School and addressed the junior and senior assemblies May 23 and 24. This address was timely, since Mrs. Matthews, a sponsor of the Forum, had spent the past year as exchange teacher in Vancouver.

Jeff Cleff Club

The desire in the Jeff Cleff Club is to stimulate and maintain, among fellow students, a greater appreciation and understanding of music of all kinds. Members try to present varied programs that will be both interesting and educational. Membership is open to anyone in the school who is interested in any phase of music. The group meets twice a month in 218 under the sponsorship of Mr. Alton Howell. Among the guests this year have been student artists as well as adult artists. Dorothy Duval, first violinist in the Tee Jay orchestra; Miss Spano, soprano, teacher of music at Westhampton Junior High; Clyde Tipton, the holder of the first trumpet chair in both the band and orchestra; Fred Mallory, pianist from John Marshall; Tayler Vrooman, Judy Moore, Marilou Dry, all vocalists here; and others have been among those kind enough to give concerts. Mixed Glee Club

The Mixed Glee Club is a regular voice class, which consists of both boys and girls, and meets every day in room 217 in the third period. The glee club sings many varieties of songs, ranging from humorous to sacred songs. • Friday of each week is given over to the class for "Program Day" in which the students take part with singing or other musical forms of entertainment. The vice-president usually is in charge of this program. • The officers elected in February are Stuart Sorg, president; Kitty Lunsford, vice-president; Irwin Amadeo, secretary; Tommy Mains and Tom Harrison, librarians.

Girls' Glee Club

One of the well-organized groups in the school is the Girls' Glee Club. This group of seventy-five girls put all they have into making beautiful music. Under the direction of Mr. Alton Howell, they work hard and faithfully every day. In helping Mr. Howell with his work, the class nominates officers and section leaders. For this year the officers were as follows: president, Nancy Zimmerman; vice-president, Pat Robinson; secretary-treasurer, Jean Pitts; librarians, Bess Newton and Joan Carneal. The section leaders were Delora Carmichael, first soprano; Carolyn Towler, second soprano; and Jean Pitts, alto. After the work is completed, there is a program given on Friday in which members of the class participate. That is the day they discuss the current events of music and join in a grand sing of the latest tunes.

A Cappella Choir

The Thomas Jefferson A Cappella Choir is made up of sixty-five advanced voice students. This group is called on quite often to represent the school at various affairs about the city. This year the choir gave a concert at Chandler Junior High School, attended one of the Community Chest luncheons, entertained the Rotary Club, and took part in the String Clinic, as well as the school's graduation exercises. The choir also had charge of several assembly programs. The operetta "No, No, Nanette" took the place of the spring concert. Since last fall, the choir has been making radio programs for station WRNL. • The group meets every day as a regular credit class during fourth period in 218 under the direction of Mr. Howell. They study all types of music from heavy classics to modern jazz. • Chosen this year by the group as officers were Joyce Gwaltney, president; Solon Richardson, vice-president; Agnes Rennie, secretary; Beverley West and Joe Schwartz, librarians; Judy Moore, Dolores Sirles, Billy Yuhase, and Buddy Layne, section leaders.

Honor Study Chairmen

During each period daily, honor studies are carried on quietly and successfully by the students of Thomas Jefferson who volunteer for them. They are a feature of the school Student Participation Association. Members of the groups sign a pledge to report promptly, refrain from speaking, and conscientiously strive to uphold the ideals and privileges of the study. Co-chairmen are chosen by each group to preside alternate weeks. They have the duties of keeping the roll, signing permits to teachers or to the library, and they make weekly reports to the faculty sponsor, Mrs. Corprew, about the conditions in the study. The Senate chairman administers the oath of office to the study chairmen and calls them to meetings when they seem necessary. Self-control, honesty, and self-reliance are promoted by these student-governed studies.

Junior Red Cross

Because of the hard tasks that each Red Cross representative—one from each home room—accomplishes, the annual Red Cross fund drive is generally successful. The total enrollment is approximately one hundred percent. To stimulate interest in the Red Cross, a short play was presented in the assemblies by the dramatics classes. Some of the numerous activities of the Red Cross organization are reading to patients at Medical College Hospital, helping at McGuire Veterans Hospital, caring for shut-ins and sending "CARE" and gift boxes overseas.

Hi-Y-Chapter I

HI-Y I, under the leadership of Dan Farley and sponsorship of Robert Hatcher of the Y.M.C.A., has striven to live up to its pledge, "To create, maintain, and extend throughout the school and community high standards of Christian character." In keeping this pledge, members have contributed to various charitable organizations, served on the cafeteria committee, sold programs at the home football games, and given assemblies for the betterment of the school. A project of the year is the Victory Dance after the Thomas Jefferson-John Marshall football game. Hi-Y I has also sponsored various outings and other dances for the school. The members have tended to mold their characters through their actions in following their motto, "Character through service."

First Row: Gayle Dunn, Jimmy Morris, secretary; Warren Mills, vice-president; Dan Farley, president; Mary Ray Dickson, sponsor; Al Oliver, sergeant-at-arms; Jimmy Whitten, Bernard Cobb. Hi-Y-Chapter II

The main objectives of Hi-Y Chapter II are set forth in its pledge: "To create, maintain, and extend throughout the school and community high standards of Christian character," and its motto: "Character through service." The club members give assemblies to help improve the school, serve on the Cafeteria Committee, and sell programs at all home football games to make money for worthy causes. Outings and dances throughout the year and especially the T. J.-J. M. football pep rally are fully backed by Hi-Y Chapter II. With Mr. Woody as the faculty adviser and Central Y.M.C.A. as sponsor, the meetings are held in the Hi-Y room of the Y.M.C.A. every Tuesday night.

The Character Committee

The purpose of the Character Committee this term has been to bring to the attention of the student body the ideals expressed in the school pledge. Programs have been planned for the home rooms emphasizing honesty, courtesy, self-control, cooperation, and obedience to authority with skits, posters, quizzes, and class discussions. Representatives appointed from each home room meet once each month at home room period to present problems and discuss solutions. A steering committee of the larger group, working with the Character Committee sponsor, Miss Eunice Gill, and Sue Foley, Senate chairman, consolidates the ideas of the whole group and plans programs and activities for home rooms.

Y-Teens-Triangle I

The Y-Teens Triangle I is a part of the world wide organization of high school and junior high school girls which is sponsored by the Y.W.C.A. At the meetings, held every other Wednesday, guest speakers are invited to speak and lead discussions on topics of interest to teen-agers. Both recreational and vocational topics have been discussed at meetings. The members of Triangle I have also handled monitorial duties in the cafeteria and sponsored better conditions in the girls' lavatories. Teas, a skating party, a dance, and a swimming party have all been enjoyed by the members of Triangle I since September. Miss Allene Archer, faculty adviser for the club, and Miss Elizabeth Conwell of the Y.W.C.A. direct its activities very capably.

Y-Teens-Triangle II

The Young Women's Christian Association sponsors the Thomas Jefferson Y-Teens, Triangle II, and thus encourages the ideal of true understanding and brotherhood. Triangle II meets after school alternate Tuesdays to enjoy varied programs and activities under the sponsorship of Miss Laura Humphries of the faculty and Misses Connie Conwell and Nancy Taylor of the Y.W.C.A. Triangle II has assumed responsibility for the improvement of the girls' rest rooms in the school and for monitorial duty during lunch periods in the recreation hall. Early this school year the girls of the triangle enjoyed a banquet at the "Y," and at the close of school last year they enjoyed an outing at Virginia Beach with Triangle I of the school. The officers this year have been Susie Turpin, president; Carter Smith, program chairman; Ity Kline, vice-president; Mary Ellen Bliley, secretary; and Ann Wilson, treasurer.

The Latin Club

One never knows just what to expect when the students of Latin 5-8 convene in room 107 on alternate Monday mornings. For this is the day on which a meeting of the Latin Club is held under the leadership of Bobby Payne, consul, with a program presented by Margaret Persinger, pro-consul. These programs, consisting almost entirely of games revealing the ideas, customs, and traditions of the Roman people, are organized to make Latin more enjoyable and to promote a better understanding of the language. • "The Consilium Olympi," under the counsel of their magister, Miss Gray, is guiding every footstep in the direction of their motto, "Arma virumque canimus."

The Declaration Staff

Long before a new semester begins, members of the "Declaration" staff are making plans for the personnel of a new staff and for the activities necessary for a bigger and better issue. • Last fall, the staff conducted a Man-and-Woman-of-the-Year Contest. The names of the winners were not revealed until their pictures appeared on the cover of the magazine when it was published. In the spring, the winners of an essay contest won the titles of Mr. and Miss Declaration and had their essays published. • Because there were few seniors on the staff, we feel that the juniors, sophomores, and freshmen who helped deserve special credit. There was no creative writing class in the spring and the members of the staff had to be responsible for securing material in addition to their other duties. The members of the staff work hard in editing and publishing the magazine, but are rewarded when the magazine wins high honors in the contests which it enters.

Jeffersonian Business Staff

Two separate groups form the Business Staff of "The Jeffersonian," Circulation and Advertising. Under the supervision of Miss Thelma Bryant, ninety-six students work together to promote the business end of the paper. The Circulation Staff is divided into three groups: fifteen captains, fifty-eight home room lieutenants, and the managers. There are three circulation managers, two assistant circulation managers, and a promotion manager. This staff handles all duties pertaining to subscriptions. Each home room has a lieutenant, as does each cadet company. The cadets buy their papers through

the corps, and the first lieutenant of each company is its representative on the staff. Each cadet is given a receipt when he subscribes. This receipt is turned over to his home room lieutenant, who can then determine the number of subscribers in the home room. The first home room to have 100% subscriptions is awarded a trophy, which was presented to the staff by Miss Muriel Sanders, former business adviser. The lieutenants collect the money from their rooms every week. The captains each have charge of four home rooms and make their collections from the lieutenants in home room period on

Tuesdays and on the Fridays that the paper is not distributed. At the beginning of each semester the Circulation Staff promotes a drive for term subscriptions of seven issues for sixty cents. The circulation managers attend to the promotion of sales and collections in the school. On every publication day one member of the staff is in the staff room, 332, at the close of school to sell extra copies of the paper. This staff also handles the mailing list of alumni subscriptions and sends copies of each issue to advertisers, business men, and schools on the exchange list. The past two years one hundred copies of each issue have been sent to schools overseas through the Red Cross. "The Scholastic Roto," an eight-page picture section, now appears once a month with the copy of "The Jeffersonian." • The Advertising Staff is composed of a manager, two assistant managers, and a staff of solicitors and copy writers. The solicitors obtain advertisements from local stores and companies. The copy writers draw up new copy and make up the layout for the dummy for each issue. Each year the staff sponsors a "Name the Ads" contest which draws student attention to the advertising, and prizes are given to three winning entrants. In 1947 and 1948 "The Jeffersonian" Advertising Staff was awarded a plaque for outstanding work by Vincent Edwards and Company, the world's largest advertising service organization, in a contest sponsored by the Columbia Scholastic Press Association. Approval by the Retail Merchants' Association in 1947 has enabled the Staff to secure advertisements from leading Richmond corporations.

Jeffersonian Literary Staff

From the time the "Jeffersonian" staff began work on its 267th issue in September, 1950, to the departure of the last dummy of the 281st issue in May, 1951, the staff room resembled an industrious beehive. With such expressions as "Kill it" or "Cut off the head," it is a wonder the the newspaper succeeded in being published bi-weekly rather than annually. When a student picked up his "Jeffersonian" on Friday of every other week, little did he realize all the time, effort, and activity that was involved in the production of the paper. Two days before each issue came out, assignment for stories were given staff members in preparation for the next issue. When these stories were turned in, they had to be edited, typed, and often a headline added before they could be sent to the printer. The galley proof which came back from the printer had to be proofread, cut up, and arranged, and pasted on dummy sheets according to the pages. Empty "holes" were filled and sheets

went back to the printer. Then came the final page proofs which were proof-read, and next the six page-proofs had to be sent back with instructions to the printer to "put the issue to bed." The staff heaved a mighty sigh of relief—then began on the next issue. From all this melee was produced a newspaper worthy of top honors in the three press associations to which it belongs. The news department of "The Jeffersonian" devotes itself and its first and sixth pages to the coverage of events inside and outside school life; the feature department occupies pages two and three with pertinent editorials, informative and entertaining features, and prominent personalities of each senior class; and the sports pages, four and five, are brimming with recaps and previews of games and meets and inside information about the athletes who participate. Members of the staff of "The Jeffersonian," typists, and photographers devote a great deal of time to producing a newspaper of which they, and Tee Jay, can be proud.

Monticello Business Staff

The Business Staff of "The Monticello," meeting each Friday in 107, is faced with a heavy schedule each year. Under the careful supervision of Miss Frances Gray, the staff is able to accomplish notable results in a huge undertaking. During the fall term senior class picture appointments must be distributed and the pictures taken. Then pictures of the junior class are to be taken, followed by numerous groups, as sophomore, freshman, club, and others. November finds the staff taking orders for annuals and arranging to mail them in May to February graduates. During the entire year members solicit "ads," check advertising proofs, and collect money to finance the annual. Distributing "The Monticello" is the task especially enjoyed because of the satisfaction felt upon the completion of a hard task.

Monticello Literary Staff

Each year since 1932 finds the Literary Staff of "The Monticello" busy with the production of the yearbook. As the number of students has increased the staff has grown to meet the need of a larger and better annual. • On Mondays there are usually meetings of the entire staff. The same day each week is set aside for work on a particular section of the annual, and each staff member works on one or more of these sections. • After a theme is chosen and plans are made, pictures must be secured from the Business Staff for all sections, and students and teachers in all pictures must be identified. Questionnaires must be distributed and information collected. When write-ups are needed, these are collected or written by staff members. Art work for the division pages must be done and page plans drawn. All of these jobs have one aim, to produce a book which will record, as far as possible, every phase of school life at Thomas Jefferson.

The Thomas Jefferson Stage Crew consists of thirty boys and ten girls. The officers of the crew are a manager, an assistant manager, a secretary, a treasurer, and four period supervisors. The duties of the stage crew are to protect stage properties and to assist those using the stage for school productions. A member of the crew must take several tests every term and be given a rating by stage crew merit system.

The Thespian Society

The Thespian Society is a national honorary dramatic organization open only to those persons who have shown superior work in the dramatic field, both on stage and backstage. To obtain membership in this society, one must have a recommendation from Mrs. Kritzer, our sponsor, and the approval of the national secretary. Membership in the Thomas Jefferson Troupe, number 741, is the highest aim of all Tee Jay's would-be actors and actresses.

"Act well your part, there all the honor lies."

The Auxiliary Aid Committee is sponsored by the S. P. for the purpose of supplying substitutes for absent members of regular committees. The attendance of every student committee is checked and substitutes for absent members are supplied. The members also serve as recess hall monitors and sell milk at the Cafeteria Milk Bar. Because the members of the Auxiliary Aid Committee see service on virtually all the other S.P. Committees, they never know where they are to serve next, but are ready to serve on brief notice.

Office Aid Committee

The members of the Office Aid Committee are student assistants to the school secretaries. The pupils run errands, take messages, welcome visitors, distribute mail, and assist late students. They work in three shifts during their study periods. There are two members on duty each period during the day. This committee gives its members experience in office work which can be useful in later life.

Guidance Aid Committee

The Guidance Aid Committee, formed in 1936, has grown as the guidance department has expanded. At present there are three girls working each period. They act as receptionists, rendering friendly and effective help to visitors. They answer the telephone, run errands, and assist the counselors in filing and clerical work. While serving their school, the members of the Guidance Aid Committee gain valuable training in office work.

Nurse's Aid Committee

The Nurse's Aid Committee is indispensable to Tee Jay's school nurse, Miss Audrey Lamb. This group runs errands, files materials, helps keep the records, and writes notes for Miss Lamb. These girls continually strive with Miss Lamb to make more efficient the medical services in Thomas Jefferson High School.

Special Services Committee

The Special Services Committee, which was organized September of 1950, is one of the most interesting committees in Thomas Jefferson. It is composed of many small committees; such as, elevator committee, typists who work for the S. P., patrons' day volunteers, students at the cafeteria doors when study periods come to recess, students selling refreshments at class dances, and the milk bar committee. All committees are given S. P. points at the end of each term. Miss LaRue Brandenburg, sponsor of S. P., is in charge of this committee.

Usher Committee

The duties of the members of the Usher Committee are to distribute programs, direct traffic into the auditorium and prevent late-comers from disturbing the assembly programs. The thirty-one boys, three of whom are substitutes, work on shifts of fourteen boys for each assembly. Mr. Arthur Allison, faculty sponsor, counsels and encourages the boys in their efforts to serve the school efficiently.

Bulletin Board Committee

The Bulletin Board Committee serves during home room periods and has three members a week assigned, one to each of the three floors. Their duty is to keep up-to-date clippings, articles, and posters on the boards at all times. The members on duty report to S. P. headquarters, 408, to get any materials which they are to post and then proceed to their floors assigned.

The Messenger Committee

Members of the Messenger Committee make it a point to arrive at school early in the morning and report to S. P. headquarters. There they secure the notices and bulletins from the various S. P. committees, and these they deliver to fifty-nine Tee Jay home rooms. The messengers work in weekly shifts in order to ease the burden of the important job they have to perform.

First Row: Barbara Banks, Mary Eakle, Marlla Collins, Jean Roche.

Second Row: Phebe May Hoff, Joyce Ann Mabry, Barbara Turner, Charlotte Wright, Martha Richardson, Estelle Greenberg.

DAILY REPORTS COMMITTEE

Left to Right: Betty Campbell, Barbara Britt, Barbara Bininger, Ann Lee, Juanita Wood, Joyce Grosch.

The Daily Reports and Absentee Sheet Committees

The Daily Reports and Absentee Sheet Committees are indispensable to the office and the home rooms. During the first period of the school day members of the Daily Reports Committee collect from the home rooms and take to the office the daily student attendance reports of the teachers. The office then mimeographs the list of absent students. The Absentee Sheet Committee reports to the office during the third period, gets the lists of absent students, and takes them to the classroom teachers. In these committees members are divided into three shifts, each shift serving every third week.

ABSENTEE SHEET COMMITTEE

Lef to Right—Front Row: Mary Martin, Betty Sue Hite, Mary Jo Frazier, Jean Childress.

Second Row: Joyce Nash, Charlotte Wright, Jeanne Jones, Robbie Hunt.

THE ERASER COMMITTEE

Left to Right:

Ted Pond, Jimmy Ellison, Dickie Werner, Mrs. Womack, Skippy Lindsey, Chris Bredrup, Norman Lassiter.

The Eraser Committee

The Eraser Committee works on shifts of three boys each during the first period of the day of each Monday, Tuesday, and Friday. These boys go to the classrooms and collect erasers, then take them to the custodian, who sees that they are cleaned by means of a vacuum. The erasers are then returned to the rooms before the end of the period. These boys work swiftly and accurately and give their time generously to promote neatness and sanitation in the school.

The Commercial Club

The Commercial Club claims distinction of being the first club organized at Thomas Jefferson. Its purpose is to give its members insight into practices of the business world. At the programs leaders in Richmond's business life are invited to speak. In addition, field trips are taken to business firms throughout the city. An outing is held each spring. The club meets on the second and fourth Fridays of the month at home room period, and it is sponsored by Miss Helen Botto of the commercial department of the school.

Second Row: Joan Hartman, Ann Smith, Joyce Grosch, Gloria Feldner, Effie Shaheen, Doris Boyer, Gloria Suttles, Shirley Bennett, Jackie Galloway, Nancy Tanner.

The Orchestra

The Thomas Jefferson orchestra, under the direction of Frank Wendt, participates in numerous activities during the school year. It has taken part in community programs as well as school assemblies. • The orchestra played for the Twelfth Biennial Convention and Festival of the Southern Music Educators' Conference on Friday, April 21. Fifteen of the members of the orchestra were selected to play in the Southern Conference Orchestra. • The Spring Concert, held on May 12, 1951, included the orchestra, band, and chorus. One of the feature numbers was "Rhapsody in Blue," with Jody Weaver playing the piano solo part. This was the first time the complete piece has been played by the Thomas Jefferson Orchestra. • The orchestra has broadcast a musical program every other Monday night with the chorus.

The Library Staff

The Library Staff is composed of students who devote one period a day to library practice. The staff holds a meeting the third Friday of each month during home room period, at which time questions arising out of members' daily tasks in the library are answered. Officers who conduct its meetings and a program committee for special programs are elected by the staff. A student must receive passing grades on all subjects to become eligible for the staff. There are usually three student assistants on duty each period, and they assist the librarian in the many routine duties of the library. One student remains at the desk slipping and stamping books, filing cards, and stamping the library permits. The other students shelve and prepare books and magazines for use. By alternating their work each week, the students become familiar with all phases of library work, and these students frequently decide to take up library work as a career. • The officers this year have been as follows: Sally Weaver, president; Joanne Snow, vice-president; Jean Markham, secretary-treasurer.

First Row: Barbara Allen, Anne Anderson, Gen Berger, Barbara Cooley, Bette Davis, Toby Friedman. Second Row: Roberta Hagen, Dagmar Halmagyi, Barbara Milstein, Sally Penick, Doris Powell, Betsy Ruckman. Third Row: Willa Siegel, Joanne Snow, Berle Stephenson, Beverly Tyler. The Library Committee

The members of the Library Committee assist the two full-time librarians by checking the time on students' library permits and seeing that they have been properly filled out. The members also help in keeping the library a quiet and orderly place to work. Two shifts of members work alternate weeks in their study and home room periods. The Senate notifies these students of their assignments to duty and sees that the committee is fully staffed. Here a student may serve the school and have the opportunity of gaining experience in a field of work that may become his vocation. • There are no regular meetings, but occasionally meetings are called in order to discuss any business concerning the functions of the library and its committee. Only quiet, considerate, and responsible students are selected to serve on this committee. The committee is under the sponsorship of Miss Clyde G. Carter and Miss Martha L. Savage.

First Row: Dorothy Meyers, Sue Whitney, Faye Ligon, Martha Coffey, Carol Sherman, Dorothy Rice. Second Row: Bette Davis, Judy Elliott, Ruth Zick, Helen Sarver, Mary Ann Engle, Martha Thomas, Gloria Morris, Anita Knighton.

Quill and Scroll Society

Truth, loyalty, enlightenment, opportunity, initiative, leadership, and friendship are the aims of the Quill and Scroll, the international honorary society for high school journalists. In the Thomas Jefferson High School chapter, sponsored by Miss Mary Maddox and Miss Frances Gray, students are rewarded for their work and achievements on "The Jeffersonian," "The Declaration," or "The Monticello." The requirements for membership in the Quill and Scroll Society are at least a year's work on a publication, a recommendation by the adviser of the publication based on superior work done by the student, and a B plus average in school subjects. • The chapter in Thomas Jefferson High School uses an impressive candle lighting service for initiating new members. The Quill and Scroll motto, "Ye shall know the truth and the truth shall make ye free," expresses the ideal of every member as he seeks to raise the standard of his publication and increase its value.

Cheerleaders

Often hoarse, but never defeated, this year's peppy cheerleaders led the enthusiastic Jeffs through yell after yell as they cheered the Big Red team on to victory. Headed by Ruth Ann Gee and Billy Nicholls, the tumbling twelve were on hand at every home game and traveled to Salem, Alexandria, and Hampton. • This year for the first time the cheerers chartered buses for the Jeffs to all out-of-town games, participated in the Tobacco Bowl Parade, and boomed a welcoming cheer to the opposing rooters. • Whooping it up at the spirited pep rally, decorating the stadium with streamers of red and white, arriving spectacularly at the big game in a stream of red-topped taxis, and spelling out JEFFS as they circled the field, were the highlights of the annual gridiron classic with John Marshall. Mrs. Nancy Phillips, whose faithful leadership will long be remembered, capably guided the cheerleaders. The pride and joy of the rah-rah gang was their adorable blond mascot, perky "Puck" Puckett. Connie Hook and Jack Coleman will man the megaphones next year to cheer the Jeffs through another triumphant season.

Hockey

With only two returnees from last year's Varsity team, Miss Todd's First Ladies had, on the whole, a very successful season. Although downed by Matthew Whaley's excellent team work in their first game, they went on to win four games, tie two, and lose two. During the Prep Tournament held at Hotchkiss Field, Tee Jay placed Virginia Bradley, a senior, Betty Nuttycombe, a junior, and Mary Evans Bristow, a freshman, on the All-Prep Reserves.

Oliver, Winn, Sorg Gain All-City Berths; Varsity Post 4-6-0 Record

The Presidents, despite the record, had a fairly successful season. Team spirit and fight were present at all contests, and their "never die" attitude won for them the admiration of the spectators whether the Jeffs emerged the victors or the vanquished. Brown Oliver, a triple threat fullback, Russ Winn, a great all-round end, and Stuart Sorg, an aggressive defensive tackle, were the mainstays on this year's eleven, and for their outstanding efforts gained a position on the All-City team.

Fresh-Soph Squad Post 5-2-0 Record

The Freshman-Sophomore football squad of 1951 was one of the best squads in recent years, according to Coach Ed Smith. Led by Alan Stringer, Pete Edmonds, and Stuart Elliott in the backfield and Sonny Kingoff, Garrett Atkins, and "Buck" Herbert on the line, the Fresh-Sophs played many outstanding games, their best performances being a 54 to 0 victory over Highland Springs "B" team and a 19-0 victory over the Hopewell "J V" squad.

Tee Jay Loses to State Champs in Opening Round; Mills, Layne Placed on All-City and All-District

Coach "Spud" Bloxsom's cagers again this year won a berth in the State Play-offs and again this year lost in the opening round. This year's defeat was at the hands of the state champions, Newport News. However, regardless of the record, the Central District Champions had a fine season. In spite of being known as a hot and cold ball team, the Jeffs had a high-scoring ball club, each starter averaging over a hundred and fifty points for the season. • Highlights of the season were the loss of "Bus" Davis due to injury, and the selecting of Buddy Layne and Warren Mills to the All-City and All-District fives. To cap the climax, Warren Mills also achieved All-State and All-Tournament as well as the distinction of being "The Most Valuable Player" in the city.

"B" Team and Freshman-Sophomore Have Banner Year With 15-0 and 16-0 Records Respectively

The "B" Team, under the able leadership of Coach Uram and led by the sparkling play of Everett Witt, Philip Morris, Larry Jenkins, Garrett Atkins, and Richard Parsley, posted an excellent 15-0 record by defeating such "J V" teams as Lynchburg, Alexandria, John Marshall, Hopewell, Petersburg, and Mount Vernon.

The Freshmen-Sophomores of Coach Carmack also had a banner year, posting a 16-0 record against such opponents as Beaverdam, Midlothian, Washington-Henry, Hill, Binford, and Chandler. The bets are that we will hear again from Ralph Bethel, Marshall Crotzer, and Eddie Phillips, whose fine playing helped to roll up this splendid record.

Girls' Basketball

With practically a new Varsity team, Miss Brame's Lady Hoopsters went on to continue last year's winning streak for the first five games. Then the Hopewell girls downed them with a well-deserved victory, and the Tee Jay Femmes were not again defeated until the mighty alumnae conquered them in the last game. This was the first time the alumnae had been victorious since the alumnae games began in 1945. This made an excellent record of twenty wins out of twenty-two games. Betty Nuttycombe and Anne Terrell co-captained the team, each in her third year of basketball at Thomas Jefferson. Eliza-

beth Condyles, Jane Saunders, and Irene Murray played their second year of basketball at Tee Jay, and Mary Evans Bristow began her career as a freshman guard. Jane Royal was the Varsity's hard-working manager. The First Ladies' team work proved successful in placing four members on the All-Prep team. These girls were Anne Terrell, All-Prep First, and Betty Nuttycombe, Irene Murray, and Jane Saunders, All-Prep Reserves. • The Junior Varsity team also had a very successful schedule with only one surprising upset for their record. • As there were no seniors on the basketball squad, next year's team at Tee Jay will suffer no losses in players.

Baseball, 1951

As we passed the midpoint of the 1951 "prep" baseball season, the outstanding games of Coach "Spud" Bloxsom's stickmen with Hopewell, Benedictine, and Saint Christopher augured well for a successful season. The loss of Second Baseman Joe Mains at the offset of the campaign was one of the top misfortunes of the year. The Jeffs, however, overcame this loss somewhat by the excellent play of Catcher Chuck Arnold, Shortstop "Tick" Stringer, and Outfielder Alvin Hampton. The Presidents have eight remaining games to play this season. With their pitching record so far, it is more than likely that Brown Oliver, Spafford Timberlake, and Dick Stephenson will notch other victories to their records in these games.

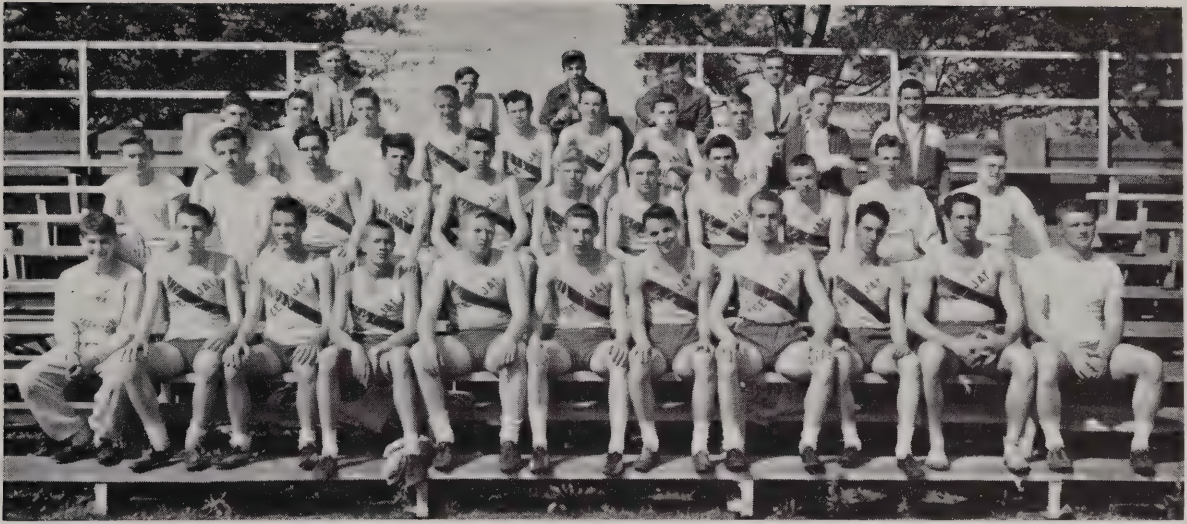
Girls' Softball

The softball season of 1950 ended with a record of two wins, two losses, and one tie for Tee Jay's girls. Playing two games with Petersburg, they lost the first 5-10 but came forth triumphantly with a 3-5 victory for the last. Under Miss Brame's coaching the First Ladies were able to conquer the Jay Em nine with the pleasing score of 30-9 in the season's last, but not least important game. A larger schedule was planned for the girls this year in which they met with Petersburg, Midlothian, Hopewell, and John Marshall for two games each, and with St. Catherine's for one. The opening game with Petersburg resulted in a 15-11 defeat for the Tee Jay girls but everyone enjoyed the playing. In the second game the girls came forth with a 11-7 victory over St. Catherine's despite numerous errors on the part of both teams. • The first contest with the Midlothian nine produced a 9-3 victory for Tee Jay, but results in the next contest were not so pleasing. In the last few innings, played in a drizzle, Tee Jay went under with a score of 17-23. Hopewell won both games against the Femmes, the first 17-4 and the second 11-7. The speed and ability of the opposing pitchers played an important part in their victories. John Marshall suffered defeat 29-4 on their own field by the Tee Jay girls. The team's able manager this year was Jane Royal. Pat Jones was the girls' captain.



First Row: David Jones, Ed Miller, Louis Snidow, Bill French, Bobby Doggett, Tom Mains, Buddy Arnold, Koster Corbett, Bill Hundley, Stuart Sorg, Joe Call. Second Row: John Wood, Don Perritt, Lamar Bennett, Page Waynick, Buddy Robertson, Gene Morris, Tom Price, Henry Eubank, Alan Stringer, Julian Roden, Peyton Roden. Third Row: Forrest King, James Patterson, Tommy Sydnor, Tommy Shepardson, Tommy Alley, Howard Arthur, Bill Hopkins, Billy Griffin, Keith Woodcock, Stuart Lawrence. Fourth Row: Coach Gonda, Frank Thompson, Curtis Shepperson, Robert Kanick, Coach Smith.

Track, 1951

The 1951 Thin-clads of Thomas Jefferson High School, under the leadership of Coaches George Gonda and Edward N. Smith, have again proved to be one of the state's best track teams. So far this season, the Jeffs have swamped Glen Allen and Alexandria in dual meets and also have finished second in the Tidewater meet at Williamsburg. This year's team has all that it takes to make a championship team, especially with such outstanding stars as Shot Putter Joe Call, Miler Tom Mains, and Sprinter Alan Stringer. The best known of the Thin-clads is Buddy Arnold who, at the midseason point, had already broken the previous school records in the low and high hurdles. It is safe to predict the track team will do well for itself in the remaining three meets of the season.

PLANNING FOR FUTURE SECURITY

Throughout the nation this June, thousands of young men and women are graduating from high schools. Many of them look towards college educations and career opportunities which could not have been theirs except for life insurance purchased for them years ago by a loving parent or relative.

Life insurance guarantees many other personal and family ambitions, too, and its ownership will bring you the same satisfaction and security it now provides millions in all walks of life.

The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.
